### Making Contact when Unable to Use Phone

General phone calls and mobile phone calls will be restricted if a large-scale disaster occurs. Contact your family or friends by NTT's Disaster Emergency Message Dial 171 or the Disaster Message Board Services of mobile phone carriers.

<b>Disaster Emergency Message Dial 171</b>	<b>Disaster Message Board</b>
NTT Visual (General phone/Voica) Dial 171, and register and track your message according to the guidance.	Your family or friends can check your safety over the mobile phone if you register your personal safety confirmation. For details, check the website of each mobile phone carrier.
